FREE access to Summit at the Summit Conference for BRI Student Leaders and members!

Greetings!

July 15, 2015

I'm very excited to tell you that as a BRI student member, leader or former leader, one of your membership benefits is FREE access to the **Summit at the Summit Conference** webcasts. Traveling to Keystone, CO to attend in person is expensive both in dollars and time, so I am thrilled to facilitate your virtual attendance at this important conference. Be sure to check out the **schedule**, and tune in to the webcasts to hear practicing physicians address today's most pressing policy and practice issues.

How to register for FREE access to Summit webcasts:

First, be sure that your BRI membership is up-to-date.

Memberships run August to August, so it's definitely time to renew (or join) if you have not already done so.
