## HB1740: Prescription for physician burnout

Greetings!

July 22, 2016

Daniel McCorry, MS4 and BRI student leader emeritus from Georgetown is no newcomer to watching and understanding healthcare legislation. He has, in fact, contributed to positive healthcare legislation in at least one state. Here are his warning predictions about HB1740, the latest healthcare legislation proposed in Hawaii.

HB1740 is just one more example of why today's doctors need not only to concern themselves with staying abreast of medical advancement, take care of their patients, and run their practices--they also need to become politically aware and active, to protect themselves from misguided legislation that threatens to increase regulatory burdens.

BRI  
Donations &  
Membership

**PLEASE DON'T FORGET  
TO JOIN BRI.**

It's super simple for anyone -- even busy med students! -- to support BRI's work. With student memberships for as little as \$25, and other memberships as low as \$50, you can promote BRI's success financially, as well as by sharing these BRI newsletters, BRIEvents, and blog posts with your friends and colleagues.

To give you an idea of what \$25 can do (\$50 doubles these results!):

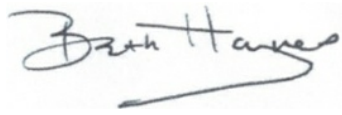

- Provide lunch for 5 or 6 attendees at a noontime lecture
- Publish and promote a student-authored blog post that touches many readers
- Cover mailing a Chapter-in-a-Box to a new chapter, with money left over
- ... and much more.

Thank you. We accept donations any time, and memberships run through August 31, 2016.

**Join or Donate Today**

We hope you are enjoying a restorative summer!

In partnership,

Beth Haynes, MD  
Executive Director
