Happy 4th of July!

Here's to F*R*E*E*D*O*M* !

Greetings!

The staff at BRI wish you and yours a joyous, happy July 4th, and we hope that you will indeed reflect upon and cherish the freedoms of this great country.

Preserving the patient-doctor relationship, physician autonomy, patient choice and privacy--all are also part of the greater freedom we enjoy.

Yet, as we've seen our healthcare and medical freedoms decline--while prices rise--we ask that you take a moment to renew your membership, or consider a special mid-year donation to Benjamin Rush Institute.

Our reach is growing as never before, *and we have much more to do*. With our new **Next Generation Medicine** podcast being received with great enthusiasm, BRI's 2018 Leadership Conference coming up in the spring, and other interested groups and parties reaching out to BRI like never before, we need your support to continue this momentum.
