Thank you for a wonderful year!
Join or renew now ~ memberships go up Jan. 1st
All donations are doubled through December!

Greetings!

December 22, 2014

Thank you for another wonderful year. With your support and commitment, BRI has achieved great milestones in 2014. We thought you'd enjoy knowing some of them.

We have 20 active, productive Chapters with Student Leaders committed to engaging healthcare policy issues on their campuses. We have an additional two Chapters in development, with five more potential. While this is satisfying, we are always looking to add more Chapters.

If you know any med- or pre-med students who should know about BRI, please forward this email to them. Thank you!

Fall semester saw 18 Chapter events, with an average attendance of 45, and on at least two occasions over 100 people came. In addition to our familiar educational lectures, events also included journal club meetings, documentary movie screenings, and Congressional visits - all valuable endeavors.

Other accomplishments include:

- June: Dr. Haynes spoke about BRI at a health policy conference sponsored by **AMAC** (Association of Mature American Citizens) that also aired on the FOX Channel.

- October: We provided scholarships for seven Student Leaders to attend the inaugural **FMMA** (Free Market Medicine Association) conference in Oklahoma City. These students returned to their schools charged up about medical practice models in existence today that are successfully reversing the trend toward more bureaucratic control of medicine.
- November: We created and posted **three promotional videos**.
- Throughout the fall: we sent out over 20 email newsletters - two written by BRI Leaders, with more to come.

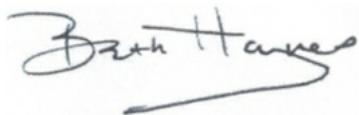

We also continue to post relevant and educational information on our **blog**. **You can read how one outstanding Student Leader is already influencing Congressional legislation.**

To wrap it up, since becoming an independent non-profit we've gained 73 unique memberships and collected \$6875 in dues and individual donations. Our total December contributions including matching donations so far total \$2300!

All donations through December will be doubled, so please consider an end-of-year contribution if you have not already done so.

What can I say but *Thank You, Thank You*, and again, **Thank You** for all you do to support BRI, for how you give of your time and treasure, and for your stand for healthcare freedom.

Wishing you a holiday season of abundance, health and joy,

Beth Haynes, MD

Executive Director

Donations & Memberships: All donations doubled thru December!

BRI
Donations &
Membership

Please support Benjamin Rush Institute's important work. BRI is supported completely by grants, donations and memberships. Please become a member or make an additional donation so that we can continue to reach medical students, and preserve freedom in our healthcare system. Thank you!
