**Benjamin Rush Institute
is the only national medical student
organization focused on preserving
healthcare freedom.**

Greetings!

August 19, 2015

We are very proud of **BRI's 2014-2015 breakthrough achievements** -- all made possible by individual donors, members, and grants. We thank you, also, for supporting Benjamin Rush Institute by subscribing to our newsletter, and following our events and progress. We're proud to have you among those who support our **Mission**:

"Promote solutions that protect the doctor-patient relationship as the primary means of delivering quality medical care, empowered by a robust free enterprise system, which fosters innovation and reduces costs."

In order to continue to provide world-class programs and events, and to maximize the power of our members' gifts, BRI operates on a yearly donation basis. **August** is our renewal month, coinciding with medical schools' new academic years. *If you have never joined us, or have not renewed before August 31, 2014, we respectfully request that you consider joining BRI to get on a firm August-to-August cycle.*

Consistent August-to-August memberships help us plan financially, save time, money and precious resources.

We never take our members for granted, and we thank you for your trust & commitment to BRI.

If renewing at BRI's new membership levels (\$25/students; \$50/all others), presents a hardship, please consider donating a lesser amount. If that's not feasible, please continue to read our newsletters, engage with us, and plan to renew in August of 2016.

Thank you for your membership & donation.
