## **BRI's Leadership Conference is right around the corner.**

**Every \$1,000 allows us to bring one more student.**

### **Greetings!**

February 12, 2016

Donations have been coming in to BRI in answer to our appeal to help send more medical students to this year's conference. For those of you who have already donated, we thank you sincerely.

The math is simple: It costs approximately \$1,000 to send one student to the conference. This pays for travel, hotel & meals, and our amazing conference programming, including an entire day with prestigious scholars from **American Enterprise Institute**.

This once-in-a-lifetime conference would benefit any future doctor who is concerned about the medical profession. We wish we could take them all. *We can take at least 50--and more, with your help.*

Help us reach our goal of hosting *at least 50* worthy medical students at BRI's 4th Annual Student Leadership Conference with as generous a donation as you can send.

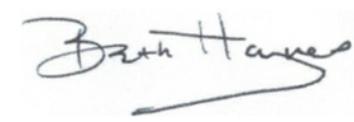

**ANYONE CONTRIBUTING A 100%,  
\$1,000 SCHOLARSHIP WILL BE FORMALLY  
RECOGNIZED AT THE CONFERENCE AND  
IN OUR PRINTED PROGRAMMING  
MATERIAL.**

**YES, I'll help!**

Students who attend our conference return to their campuses energized, invigorated and

grounded in free market healthcare principles, causing ripple effects well beyond the conference itself.

Thank you for your partnership.

Beth Haynes, MD  
Executive Director

## WHAT ABOUT THE POOR?

This year's BRI conference theme, **DOCTORS AS LEADERS, DOCTORS AS ADVOCATES**, tackles the question of poverty head on.

Attendees will learn about the nature of poverty, the misconceptions, and the facts. They will learn to what degree healthcare policy impacts poverty, and how a life of poverty impacts overall health and well-being.

Then, there are those who, while not poor have been priced out of increasingly unaffordable healthcare, entirely contrary to Obamacare's promises. How can we structure healthcare in America to be affordable, accessible, and technologically advanced -- *for everyone?*

In order to be able to take strong, principled stands for free market and other workable healthcare policy solutions, future medical doctors must be able to articulate a sound, firm argument for them.

THE BRI LEADERSHIP CONFERENCE WILL  
PREPARE FUTURE DOCTORS TO BE  
LEADERS AND ADVOCATES IN THIS  
IMPORTANT NATIONAL DEBATE.

BRI  
Donations &  
Membership

PLEASE DON'T FORGET  
TO JOIN BRI.

It's super simple for anyone -- even busy med students! -- to support BRI's work. With student memberships for as little as \$25, and other memberships as low as \$50, you can promote BRI's success financially, as well as by sharing these BRI newsletters, BRI Events, and blog posts with your friends and colleagues.

To give you an idea of what \$25 can do (\$50 doubles these results!):

- Provide lunch for 5 or 6 attendees at a noontime lecture
- Publish and promote a student-authored blog post that touches many readers
- Cover mailing a Chapter-in-a-Box to a new chapter, with money left over
- ... and much more.

Thank you. We accept donations any time, and memberships run through August 31, 2016.
