

We will also be discussing Direct Primary Care!

BRI student members interested in learning about better ways to deliver healthcare, protect the patient-doctor relationship, and/or are looking to take over a BRI chapter should definitely attend BRI's conference! We give preference to MS1 & MS2 students interested in taking over chapter leadership, and to our most active leaders in years 3 and 4.

You can look forward to these stellar speakers:

Dr. Jules Madrigal-Dersch, cash-based practice

Dr. Elaina St. George, private practice doctor, author of *Big Medicine*

Dr. Venu Julapalli, Conscious Medicine & Healthcare 3.0

Dr. Julie Gunther, SparkMD, DPC doctor

... And more! We know how important DPC is to future doctors, and you won't be disappointed.
