

#GIVING  
TUESDAY

Benjamin Rush  
INSTITUTE 

It's Giving Tuesday!

Please *join, renew or donate* today & help BRI continue to make a difference for medical students.

### Greetings!

Many early BRI student leaders are now practicing doctors, healthcare policy advocates, and mentors to the new cohort of BRI leaders. We are so proud and thankful for them being part of our long-term work.

Your donations make BRI's longevity and dedication to our mission possible.

***We would be honored to receive a part of your charitable giving this year to help BRI continue this work. Today, on this Giving Tuesday it's the perfect time to JOIN, RENEW, or DONATE to BRI.***

We hope you find the information BRI provides valuable and inspiring, But more importantly, healthcare affects us all, and BRI is here educating, informing and enlightening the next generation of doctors in optimal healthcare policy approaches.

**Your generous contributions help yet another medical student have hope for his or her future as a doctor. Thank you!**

BRI relies on yearly student memberships and general supporter donations to stay in this long--often frustrating--fight for healthcare freedom. We must not give up. Doctors and their patients are relying on us to get it right.

Every time I hear from one more student who has been inspired by free market healthcare possibilities, I choose to keep rallying on. Thank you for helping us continue our vital work.
